ABSTRACT

The aim of this research is to determine and analyze the implementation of the Agency Level Financial Application System (SAKTI) at Regional Office of the Ministry of Religion, Mojokerto Regency. This research uses qualitative research with a descriptive approach. The data collection technique is by conducting interviews, observation and documentation with credible sources. The research results show that the implementation of the SAKTI application began in early 2022, with the implementation of the SAKTI application it was able to present accountability reports quickly, precisely and accurately and provide many benefits in its application. The implementation of the SAKTI application is in accordance with the mandate of the Minister of Finance as regulated in Minister of Finance Regulation Number 171/PMK.05/2021 concerning the implementation of the SAKTI system.
