ABSTRACT

This report was about activities of my internship in Malang District Culture and Tourism Department located at Jl. Raya Singosari No.275, Pangentan, Singosari, Malang, Jawa Timur. This department has some divisions such as secretarial division, culture division, tourism object division, tourism facility division and marketing division. In this report, I focused on discussing activities I did in on the cultural division of Malang District Culture and Tourism Department, such as making a list of Malang District belief organization, making a list of cultural article preservation from Malang District, processing KNIK (*Kartu Nomor Induk Kesenian*), joining “Grebeg Tengger” 2016, and joining “Festival Karya Tari” 2016. I hope that this internship report can give information to the reader that Malang District Culture and Tourism Department is the suitable place to conduct the internship program. I got many knowledge in this internship program, such as, how to be dicipline and how to apply my knowledge that I got from college.
