ABSTRACT

These internship program focused on my daily activities in Tourism Development Division at Department of Tourism and Culture Yogyakarta for three month from March until Mei 2016. I was helped Tourism Development Division in Department of Tourism and Culture Yogyakarta and has task to helped in many events. Not only help in some event but also has dutties to develop tourism object in Yogyakarta such as the accommodation, infrastructure, and the services in each tourism object in there. By conducting internship program in Department of Tourism and Culture Yogyakarta I hope I can apply my skill that I got in English Study Program such as Public Speaking, Public Relation, English for Correspondence, English for Hotel and Restaurant and the last is English for Secretary. In Tourism Developmnet Division I was stay in Seksi Pembinaan dan Pengembangan Pelaku Wisata. In Tourism Development Division, I had duties to managed some hotel sertification, and prepared everything about tourism business in Yogyakarta city. When I was in Tourism Development division, I got duties to help this division in Hotel Sertification and join with event in there. With this duty, I applied my skill of English for Hotel and Restaurant. I concluded that was suitable place for me to applied my skill that I got in English Study Program before.
