

CHAPTER 1. INTRODUCTION

1.1 Background

Internship program is one of the requirements for students of the State Polytechnic of Jember to complete their educational program. Internship program has to be taken by the 3 years diploma education and conducted at sixth semester. Through this activity, students could apply their skill and knowledge which has been gotten during their study.

English Study Program is one of study programs at State Polytechnic of Jember that teach the competence which related to the communication, industry and tourism sectors. English Study Program also has given the students skills and knowledge like English General Purpose and English Specific Purpose. The skills and knowledge are related to some subjects I learned from English Study Program like Writing, Reading, Speaking, and Listening and English for Specific Purpose like English for Agrotourism, English for Tour and Travel, English for Secretary, English for Public Speaking, English for Correspondence. Those subjects were given to create qualified graduate and were needed as the foundation and guidance for the students in doing the Internship Program.

There are many institutions that can conducted to internship program like governmental institution and nongovernmental institution. I proposed to do internship program in nongovernmental institution that is Tanoker Learning Community. Tanoker Learning Community is an appropriate place to do internship program especially for student of English study program. This community has responsibility to teach and develop Tanoker's children. Tanoker Learning Community is an appropriate place to do internship program especially for student of English study program. Tanoker is a Learning community, which mentoring children, to be able to develop their potential. There are so many children that come to Tanoker to learn and playing. This activity have purpose to develop Tanoker's knowledge. This is good for English Study Program Student to conduct internship program in Tanoker Learning Community because by doing

Internship program in Tanoker Community, we could apply our knowledge and skill that suitable with program of Tanoker community and get new practical skill and knowledge that will be needed in real workplace later.
