ABSTRACT

This study aims to determine the financial management of BUMDes Bumi Emas, this study uses data analysis methods with triangulation methods by managing comparisons of information or data in different ways to analyze the financial management of BUMDes Bumi Emas, so it can be concluded that the analysis of financial management of BUMDes Bumi Emas is still not well structured and correct. This statement is because the financial management of the Bumi Emas BUMDes is not in accordance with what was planned, so starting from the BUMDes business unit and the BUMDes management it is arguably less than optimal.

Keywords: BUMDes Management
